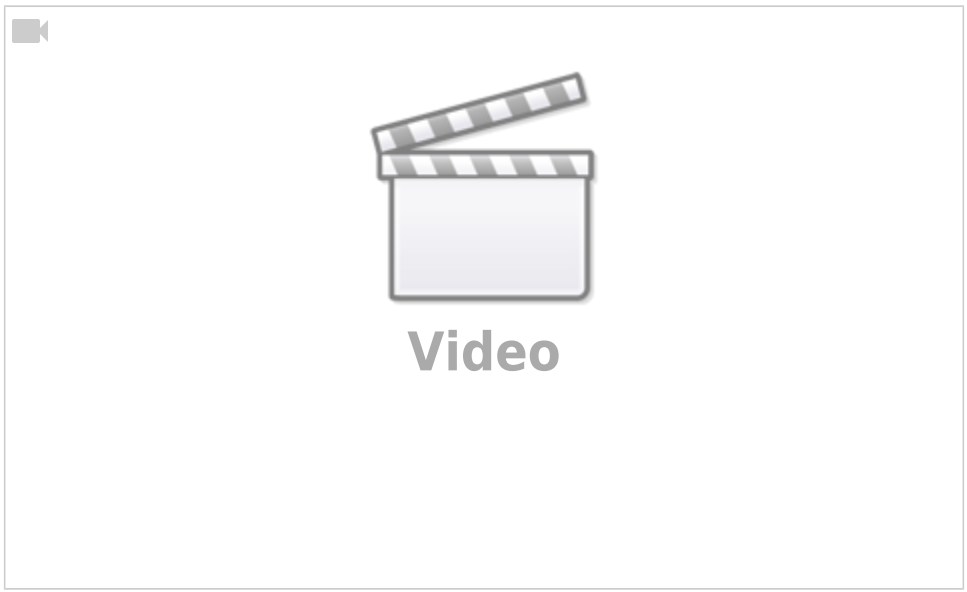
Civility in Ham Radio

In light of the recent events[1], Dave has a short 5 minute video on Civility in the Ham Radio World that very much applies this side of the border.



1)

Interesting how American blog Boing Boing chose footage from the CBC. Mark asks a very good question:

> Why was D.C. teeming with National Guard troops in advance of relatively peaceful Black Lives Matter protests, but nowhere to been seen when white nationalist violence broke out yesterday?
