Network Topology

Every few months, VA7FI maps the topology of our AREDN network. [See here](#) for more details.

As of August 2, 2025, our network topology looks like this:¹⁾

In Firefox, you can view the topology diagram better by right clicking on the image and selecting This Frame → Open Frame in New Tab. Then, **Ctrl**+**+** will zoom in and **Ctrl**+**-** will zoom out.
