

# Surrey PREOC

Last Friday (March 8), Bob (VE7XNC), Jim (VA7JIR), Patrick (VE7HZF) and Sieg (VA7LEH) travelled to Surrey to visit our PREOC. Their installation was very impressive:

## Outside:

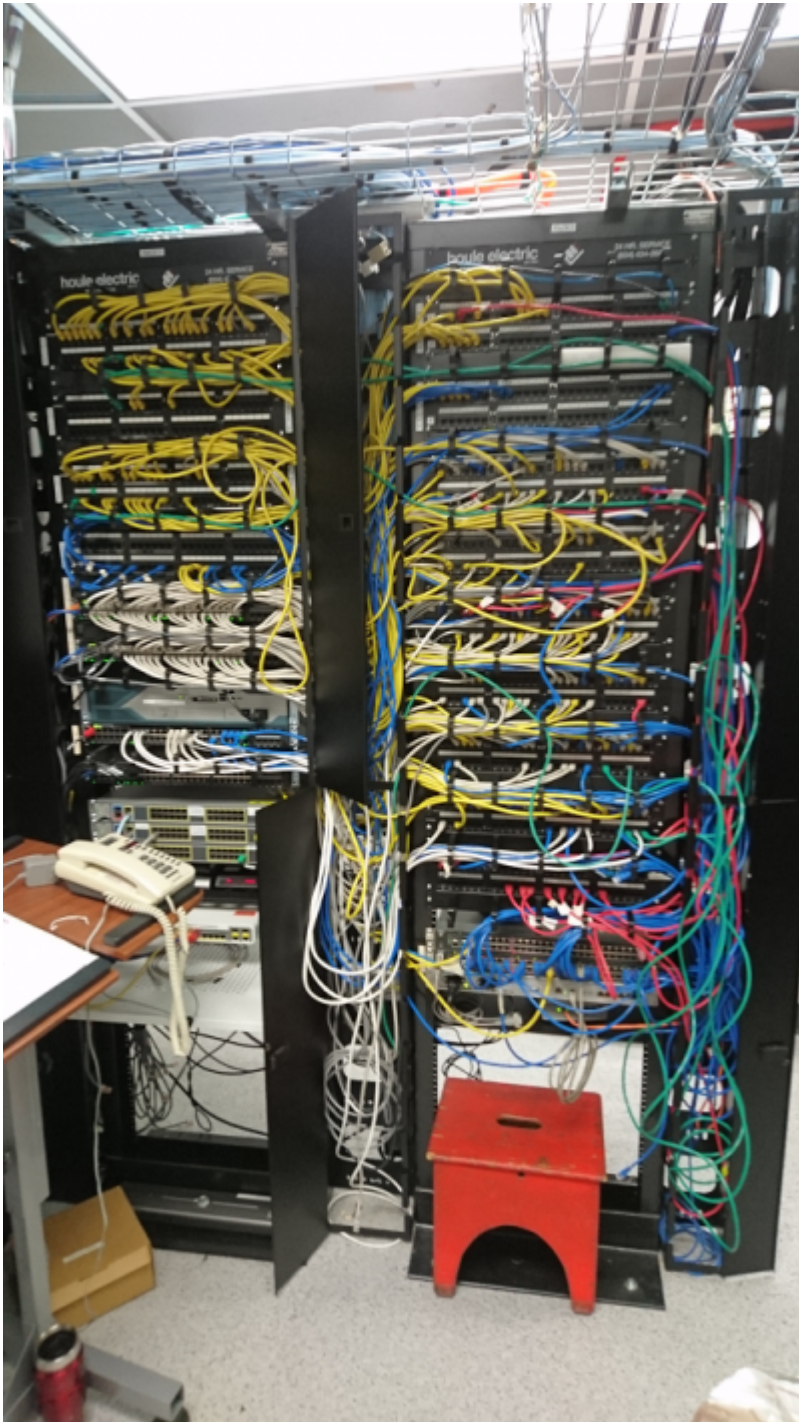

- The main tower has most of the VHF/UHF antennas as well as an HF wire antenna what is it again?
- The telephone pole has yagi antennas for 20m and 40m as well as a dipole (at 90° angle) for 80m.
- The truck is the only one of its kind in Canada.

## Server Room

## Work Space
