# What's New on the Website

This is a running post that we can bump back up to the top whenever we make significant changes or add sections to the website.

News Feed

- New: Added `tags` to each post using the year and month[1] to add filtering and sorting capability to the list.

- New: Edited the News Feed `html` template and started sorting the Full News Feed page.
- Moved the News feed links from the sidebar to the front page:

Member's Page

- New: Updated the Echolink log
- Created page for users to update their website password

How-To

- New: The new WRAP plugin allows for pretty nice formatting.
- Basic Ham Course Material is still under construction but growing slowly.
- Welcome to the Club! page for new members.

Emergency Page

- New: Reformatted VE7XNC's Sunshine Coast Emergency Communications document using the WRAP plugin. The PDF prints very nicely.

Echolink Log

- New:The Echolink connection logs in the Member's Corner have been updated.
