

Sold IC-A6

One of the radios that was donated to the club from Jim Wilkinson was a *IC-A6 VHF Air Band Hand Held Transceiver*.

I kept this radio with me and listed it on Craigslist to sell it on behalf of the club. I'm happy to report that someone local just picked it up tonight for the asking price of \$150.

I've emailed the rest of the executive to inform them of the transaction and will give the money to Steven on Saturday. - [Patrick, VE7HZF](#) 2019/07/15 19:54
