## **VE7SCK Update**

The VE7SCK 440 repeater information has been updated with the BC Amateur Radio Coordination Council and will show next time they update their site. I've also updated the tone to 100.0 Hz on the repeater itself so you'll need to change your radios accordingly:

Last update: 2019/08/01 19:24

**VE7SCK** 442.650 MHz +5.000 MHz T100.0 Hz
