

# Civility in Ham Radio

In light of the recent events<sup>1)</sup>, Dave has a short 5 minute video on Civility in the Ham Radio World that very much applies this side of the border.

<sup>1)</sup>

Interesting how American blog [Boing Boing](#) chose footage from the CBC. Mark asks a very good question: “Why was D.C. teeming with National Guard troops in advance of relatively peaceful Black Lives Matter protests, but nowhere to be seen when white nationalist violence broke out yesterday?”
