New MIRA AREDN Net

Ron, VE7RQX, started a new net on Sundays at 9:30 (after the 9:00 Sunday net) dedicated to discussing AREDN. I checked in this morning and learned a few very interesting things. Anyone interested in welcome to check in on VE7RBB (147.180 MHz + T100.0).

For more information about AREDN, see wcaredn.ca
