# Website Changes

Today I consolidated three pages into one so that it's easier to find things:

The How-To, Refs, Links sections are now all under the Links section:

| Before | After |
| --- | --- |
|  |  |

If you find any broken links or missing pictures anywhere on the site, please let me know. – *Patrick, VA7FI 2024/11/24 14:15*
