

# Project NOMAD

Project NOMAD is a self-contained, offline knowledge and education server.

The image shows the 'Command Center' interface of Project NOMAD. At the top center is the Project NOMAD logo, which features a hexagonal shield with a radio tower icon and the text 'PROJECT N.O.M.A.D. MADE FOR OFFLINE MEDIA. ARCHIVE ANYWHERE.' Below the logo is the title 'Command Center'. The interface consists of a 3x3 grid of dark green buttons with white icons and text. Each button represents a different feature of the system.
