If you're interested in having your own mesh phone extension on our local pbx, please reach out here: https://groups.io/g/Mid-Island-AREDN-Mesh-Network

Most of our users have Cisco SPA303 or SPA5xx series devices, however any IP Phone with SIP firmware will function.

We have a weekly aredn net every other Sunday on our conference line, and zoom meetings alternating Sunday's each at 7pm respectively.

Setup instructions for a Cisco SPA5xx series phone:
