Microwave

Here's a bit of an update for those interested in exploring microwave ham radio. Please feel free to add more to this post!

- 10 GHz from microwavers.org
- Getting Started in Amateur Microwave Radio from Reactance Labs
- 10 GHz Radio from Reactance Labs

Links from p. 14 of the July - August edition of RAC: The Canadian Amateur:

- Q5 Signal
- SG Laboratory
- Minikits
- Kuhne Electronics
