VE7XNC Going Away and Christmas Dinner 2019

VE7SCK 442.650 Install Photos - Sept. 6, 2019

Pictures of the Roberts Creek Fire hall UHF repeater installation completed on September 6, 2019.

The repeater is bolted on top of the fire hall's communication cabi

Patrick working on the antenna

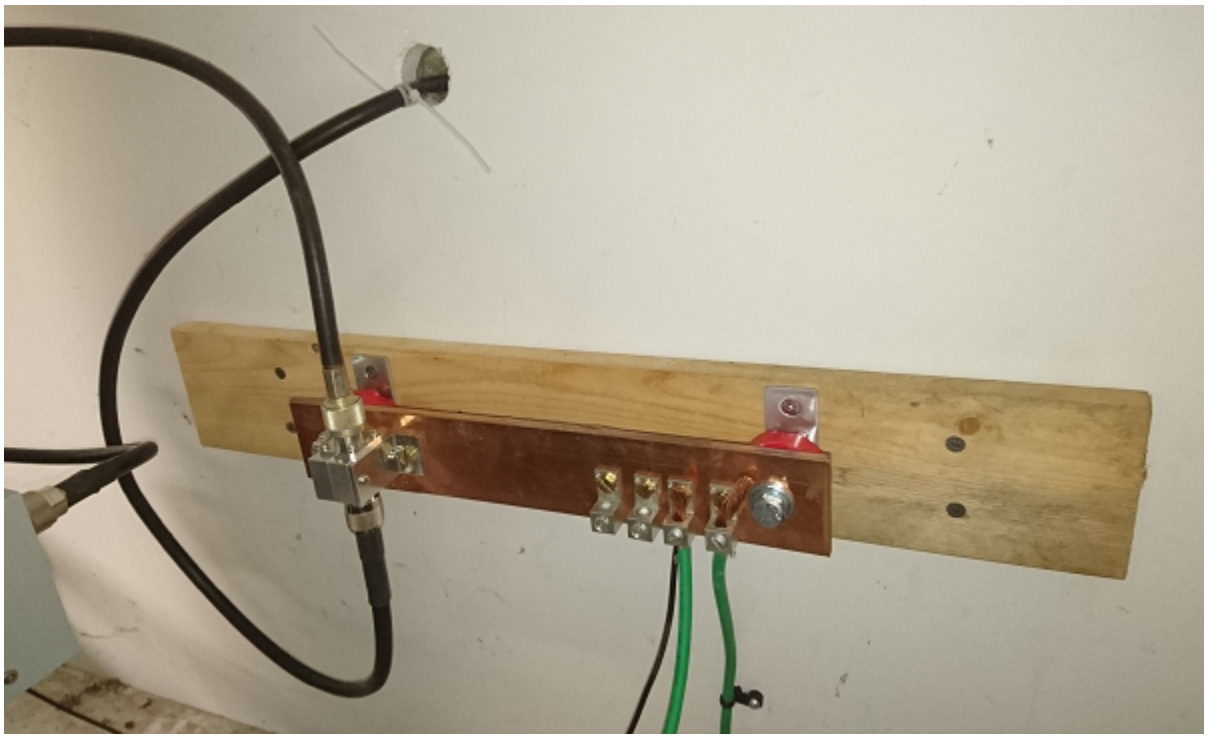

The antenna is on the South East side of the building.

net.

It is all self contained with power from the grid and a battery for backup (not shown here)

The grounding bar connects to the main ground in the communication cabinet.

Farewell to Ron Kaiser - July 13, 2019

Best wishes to Ron Kaiser as he relocates to Ottawa.

Photo is in-front of Pier 17 in Davis Bay.
