For Sale

- The SCARCS is selling a 48 foot Antenna Tower. It was donated to us by a local ham operator here on the Coast. Patrick, VE7HZF helped take it down and it seemed in very good condition. It can very easily be loaded in a pickup truck for transport. It has the following markings at the base of each section say: DMX-B-136, DMX-B-133, DMX-B-131, DMX-B-129, DMX-B-128, DMX-B-126 For more details, see this [pdf](#) - [Patrick, VE7HZF 2019/02/13 12:09](#)
