## **Sunshine Coast Swap Shop**

## For Sale

• The SCARCS is selling a **48 foot Antenna Tower for \$400**. It was donated to us by a local ham operator here on the Coast. Patrick, VE7HZF helped take it down and it seemed in very good condition. It can very easily be loaded in a pickup truck for transport. It has the following markings at the base of each section say: DMX-B-136, DMX-B-133, DMX-B-131, DMX-B-129, DMX-B-128, DMX-B-126 See this PDF for more details. – Patrick, VE7HZF 2019/02/13 12:09
